Degree in Three (Din3)
GRADUATION PLAN
AGREEMENT

By signing this agreement, I agree to participate in the Boise State University Degree in Three Graduation Plan and to comply with the conditions detailed below. In addition, Boise State University will ensure course availability to facilitate graduation in three years.

As a member of Degree in Three, I will:

1. Declare an undergraduate major that qualifies for the Degree in Three program. Students seeking double majors or dual degrees are not eligible for Degree in Three.
2. Maintain good academic standing and satisfactory academic progress. I may repeat courses as necessary, but understand that repeating a course may affect my eligibility.
3. Enroll in all summer term courses included in my academic plan and understand that enrollment in these courses is required to participate in Degree in Three.
4. Meet with my academic advisor prior to my assigned registration time each semester and discuss my progress.
5. Drop or add classes only after speaking with my academic advisor. I understand that dropping or adding a class may affect my plan and may result in ineligibility.
6. Enroll in any available courses needed for my degree program within 48 hours of my designated registration appointment. I understand that some Degree in Three courses may be held at times that are not in my preferred schedule.
7. Resolve any issues that may prohibit registration—including, but not limited to, securing financial aid, paying fines, and resolving campus judicial issues. Eligibility for financial assistance does not affect the terms of this Agreement.
8. Meet all requirements of the major, option, minor, etc., including those for admission to and continuance in the academic program. Admission to the Degree in Three program does not guarantee admission to the academic program.
9. Apply for graduation by the appropriate deadline and meet all other graduation requirements.
10. Accept responsibility for monitoring my progress by accessing web-based degree audit and grade records, and by regularly meeting with my advisor.
11. Notify my advisor and Degree in Three Coordinator, in writing, no later than two weeks after the start of my assigned registration period prior to the term when the course(s) is/are needed, that graduation may be delayed due to unavailability.
12. I may withdraw from Degree in Three at any time without penalty, upon written notice to the advisor and Degree in Three Coordinator.

To support you in Degree in Three, Boise State University will:

1. Provide an academic advisor at your initial registration and before registration each subsequent semester to review course selections from the recommended three-year plan provided by the academic department.
2. Provide you early registration at the beginning of your second fall term. (For participants who are making satisfactory academic progress at the end of their first year.)
3. Guarantee course availability to facilitate three-year completion. If you meet all the conditions listed above, but are unable to graduate with your undergraduate degree due to the unavailability of a course, your department and college will work with you to develop reasonable and appropriate alternatives. If there are no academically acceptable alternatives, The Vice Provost for Undergraduate Studies will review the alternatives and determine if Boise State University will pay the tuition for you to take the course(s) required for you to complete your degree program within the next year.
